

The UABHA (Utah All Breeds Horse Association) is a 501©3 organization based in Utah created for exhibitors to gather together and enjoy their horses! We offer classes for all breeds, all ages, all levels of horses and riders. This year, our show series will be May 8-10, 2025, July 31st-August 2nd, 2025, and September 4-6, 2025 at the USU Bastian Agricultural Center in South Jordan Utah.

A very important element of our organization is our opportunities for our youth division. We believe it is important to involve our youth and support an environment for them and their horses to learn and improve. We strive to keep our shows affordable for youth riders to continue to achieve their horsemanship goals. Many of our youth competitors have gone to compete regionally and nationally with their horses. One of our main goals for the 2025 year is to offer scholarships to youth exhibitors for continuing education and for educational opportunities.
